

Eaton Hall Specialist Academy

Sports Premium Spending Plan 2017/18

We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of our children. We also recognise the importance of PE to the health and well-being of our pupils.

Our Sports Premium Funding will enable us to expand our PE provision to allow increased PE for every pupil and allow for greater participation in sport in the community. This will also include increasing the range of sports we provide to our pupils.

What is the Sports Premium?

The government has provided funding through the Sugar Tax of £150 million per annum to provide extended and substantial primary school sport funding. The funding is provided jointly by the Department for Education, Health and Culture, Media and Sport and will see money going directly to schools to spend on improving the quality of sport and PE for all their pupils. This Academy school will receive £16,420 for the year 2017-18. The money can only be spent on sport and PE provision.

Purpose of the funding

This funding is allocated to schools in order to improve their sports and PE provision, in a way which best suits the schools and the needs of its pupils.

Our aims for the year include:

- Increasing participation in sport competition such as the Grand Prix League
- Continuing 100% participation in primary swimming lessons.
- To widen the range of sporting activities during residential time.
- To develop an all weather surface to widen the range of games and sports available.

Objectives of spending

- To improve the provision of PE at Eaton Hall
- To develop better overall perception of sport and physical activity
- Broaden sporting opportunities including swimming and experiences available to pupils

This page provides information about the Sports Grant allocation for the academic year 2017-18 at Eaton Hall Specialist Academy.

Number of pupils and sport premium grant (SPG)				
			The sport premium funding (SPF) income for 2016-17 was £11,635 Including the amount carried forward the funding for 2017-18 will be £22, 436	
What are we doing with the 'Sport Premium Funds' in 2017-2018?				
Item/Project	Estimated cost	Objectives Specialist Provision	Desired Outcomes	Impact & How Impact is Measured (anything measurable will be completed by end of July 2018)
Hire of Swimming Pool	1,064	Weekly hire of local swimming pool	For all primary groups to have access to swimming during the course of the year	100% participation rate in swimming by all primary pupils as well measurable progress in the ability to swim
Grand Prix League	50	Participation in all 3 legs of the special school Grand Prix League	For a number of primary aged pupils to take part and represent the school in the competition. To play competitively outside of Eaton Hall and to understand difficulties faced by other children.	For Eaton Hall to win the Grand Prix League
Residential Sporting Activities	3540	Evening activities cover a range of sporting and physical activity including swimming, skating, football in the community, archery, bowling and adventurous activity	To introduce primary aged boys to a wider range of activities than would be the case from the PE curriculum.	For all primary boys in residence to take part in at least one sporting activity that is outside the normal PE curriculum.
Outdoor Play Area	22,000 (estimated)	To build an all weather outdoor play area in the 'outback' area of the school.	To allow a wider range of sports and games to be played throughout the school day.	To see a wider range of sports and games offered within the wider PE curriculum and to see progress accelerate as a result.

Summary		
Total projected expenditure to date:	£ 26,654	
Overspend Balance	£ 4,218
